STRUCTURAL STRENGTHENING & PROTECTIVE COATINGS PVT LTD

AN ISO 9001 : 2015 CERTIFIED COMPANY

... SINGLE SOURCE RESPONSIBILITY

- SPECIALIZED WATERPROOFING SYSTEMS
- CIVIL & STRUCTURAL FABRICATION
- DIAMOND SAW CUTTING IN SLAB

Pioneer Consolidated Constructors Private Limited, an ISO 9001 certified company, established in 2009 by a Entrepreneur and Civil Engineer having Registered head office in Mumbai-India. As a leader in concrete repair and restoration, has earned its success through providing innovative and cost-efficient solutions to a broad spectrum of sectors ranging from residential and commercial buildings to industrial and institutional facilities across the country spanning since last one decade. Pioneer conss having its Branch offices in key industrial city state Gujarat and Goa, therefore having pan India presence.

At the heart of our company, lies the knowledge and expertise of our team.

## WATERPROOFING, CONCRETE AND STONE PRESERVATION

Waterproofing is a very complexed subject and need years of experience handling concrete structure, understanding the structure design, environment conditions, weathering conditions, in-depth knowledge of construction chemicals etc. We as a team are handling waterproofing jobs for nearly 15 years. Our team of Engineers, supervisors, workers fully trained are capable of handling jobs of most critical nature. We do the planning of waterproofing jobs after extensive study of site conditions for leakage, seepage and dampness using advance equipment like moisture detector and thermography camera. Selection of waterproofing chemicals is done taking help of Expert Chemical Engineer in this field and right methodology is followed to get best possible results. In this particulars field we have got best of the results in most challenging conditions. The heritage structures, temples, churches etc. can get a fresh look after cleaning the affected surface with high power steam and washed using high pressure water jet and Chemically treated to maintained fresh look for many years without getting affected with extreme weathering conditions, atmospheric and industrial pollution, UV etc.

The list of our valued clientele is an authentic credential. Our commitment in getting the highest standards of quality and safety implementation followed by strict time bound completion schedule, are the essence of our core strength under any circumstances.

Pioneer Conss has passion for innovation and technology up-gradation has derived us towards international collaboration with western country's expert in the industries to bring best of the materials, equipment and machinery and systems to the highest standard.

Our consortium of professionals consists of Material scientists, Concrete Technologists, Corrosion protection experts and structural engineers having reputation and expertise recognized by world class fraternity, hence achieving the best results delivered to our valued client.

### OUR MISSION

Highest standard of quality, time-bound performance and customer satisfaction.

### OUR VISSION

To be the best in our core expertise hence better than the biggest.

### CORE VALUE

To our valued customer and the society as whole.... Loyalty, honesty, trust, integrity, accountability, respect, value-centric.

## SPECIALIZED WATERPROOFING

- EXPANSION JOINT WORK
- WATERPROOFING WITH LIGHT WEIGHT BLOCK
- WATERPROOFING OF SWIMMING POOL
- WATERPROOFING OF SWIMMING POOL & TERRACE
- WATERPROOFING USING G.I EMBEDDED IN IPS FINISH
- WATERPROOFING WITH PU COATING AND CHINA MOSSAIC FINISH.
- WATERPROOFING WITH PU COATING AND SCREED
- WATERPROOFING WITH LIGHT WEIGHT AAC BLOCK

## CIVIL & STRUCTURAL FABRICATION

- WAREHOUSE CIVIL WORK WITH DRAINAGE UPGRADATION
- DRAINAGE UPGRADATION IN INDUSTRIAL CHEMICAL PLANT
- TRIMIX ROAD WORK IN CEMENT PLANT
- INDUSTRIAL BUILDING EXTENSION WORK WITH MS ROOFING
- INDUSTRIAL BUILDING WAREHOUSE MS ROOFING
- STEEL FABRICATION WORK TO CLOSE THE OPENING
- INDUSTRIAL CIVIL WORK
- ARCH BEAM WITH MICRO CONCRETE
- INDUSTRIAL CIVIL WORK-PEDESTAL FOUNDATION WORK FOR ERECTION MS STRUCTURE
- LIFT RCC WORK WITH STRENGTHENING
- INDUSTRIAL BUILDING EXTENSION CONSTRUCTION WORK

## DIAMOND SAW CUTTING IN SLAB

# SPECIALIZED WATERPROOFING

Various Expansion Joint Treatment.

Waterproofing  
With Insulation  
Using Light  
Weight Blocks.

Waterproofing Using High Performance Coating For Swimming Pool.

Waterproofing With Insulation  
Using Extruded Sheets

Waterproofing With Screeding  
Incorporating With G.I Mesh.

Waterproofing Under China Mosaic With Multiple Layer Of Coating's Including PU.

High Performance Waterproofing  
Coating For Terrace.

Aliphatic Pu Waterproofing  
Coating Incorporating  
With Geotextile.

# CIVIL & STRUCTURAL FABRICATION

---

Warehouse  
Civil Work With  
Trimix Floor And  
Façade Work.

Construct External Storm Water  
Drainage Upgradation Work In RCC  
With FRP Grating And  
Concrete Cover Installation.

Trimix Road In Industrial Area With Floor Hardener Coating.

Extension Of Industrial Building With PEB Shed

Warehouse Rcc Work  
With MS Structures  
And Covering Roof Shed

Closure Of Opening With Ms Steel Fabrication Work  
Finished With Anti-Corrosive Coating.

RCC Structure And External Faced Work

Bar Counter Curve Beam Casted  
Using Micro Concrete To Achieve Required  
Architectural Purpose.

Foundation Work To Erect Ms Structure

Excavation And Civil Work

Foundation Work To Support MS Columns And Structural Member Of Ramp Connecting From Ground To First Floor.

# DIAMOND SAW CUTTING IN SLAB

---

Diamond Cutting Done For Lift Shaft  
And HVAC Shaft

## OUR AFFILIATION & CERTIFICATES OF LIFE MEMBERSHIP OF LEADING PROFESSIONAL INSTITUTE

**INDIAN INSTITUTION OF BRIDGE ENGINEERS**

**INDIAN CONCRETE INSTITUTE**

**INDIAN SOCIETY OF STRUCTURAL ENGINEERS**

**AMERICAN CONCRETE INSTITUTE**

**INDIAN GREEN BUILDING COUNCIL**

**ISO 9001:2015**

**ISO 14001:2015**

**ISO 45001:2018**
